# Get .comfortable @your library™

*Computer classes for adults and teens of all skill levels*

## Adult Computer Use Classes

*All computer technology classes are free. Registration is required only for workshops where noted and begins a month before each workshop. All classes are in the Technology Center Training Lab and are taught by library staff.*

**eBooks & Audio Books Help:** Learn how to use the Sunflower eLibrary and load eBooks or Audio Books on your gadget. Bring in your iPad, tablet, Kindle, cell phone, Android, iDevice, or whatever you have. You will need your Salina Public Library card and your login/password to your device.

May 1 (Tue.): 1:30 p.m.

May 3 (Th.): 6 p.m.

May 4 (F): 10 a.m.

May 23 (W): 2 p.m.

May 24 (Th.): 6:30 p.m.

**Family History Detectives:** This class is designed to get participants started on researching their families. Participants should bring as much information as they have on their family, including names, place they lived, and dates of births, marriages and deaths. Instructor Barbara Mulvihill is an Information Services librarian. Registration is required and can be made online at [salinapubliclibrary.org](http://salinapubliclibrary.org) or by calling 825-4624, ext. 243. Basic computer skills are required.

May 9 (W): 3 p.m.

**Searching the Web & Printing from a Webpage:**

This class offers a guide to searching the Internet and how to get better print results from what you find. For intermediate to advanced users.

May 23 (W): 5 p.m.

May 26 (Sa.): 4 p.m.

**Online security:** This class is via ELMER video conference in the Tech Center Conference Room. It will be presented by Newton Public Library IT director Nathan Carr.

May 24 (Th.): 4 p.m.

**Introduction to Windows Movie Maker:** Have you ever wondered what to do with those videos you have on your video recording device – smart phone, video camera, hand held device? Learn the basic layout and functions of Windows Movie Maker. For intermediate to advanced users.

May 25 (F): 3:30 p.m.

May 26 (Sa.): 2 p.m.

## Other Services

**Updates:** Sign up to receive an email once a month with computer tips and computer class schedules. Email Brian at [bfrees@salpublib.org](mailto:bfrees@salpublib.org). Or if you would like a schedule mailed, call 825-4624, ext. 248.

**Business and Industry Training:** The library technology staff can create and teach technology classes to business and industry groups (in house/on location). Call Brian at 825-4624, ext. 248.

**Record to CD Transfer:** Bring in your vinyl records and transfer them to CD on our new Mac computer. CDs cost \$1 or bring your own. Please allow for the full length of the record plus 20 minutes for transfer time.

**Research:** The library offers a variety of research resources on its website. You can find information on topics such as business and

technology, genealogy, grant writing, literature, mechanics, and health and medicine. The library's website links to Consumer Reports and the language-learning program Mango. Visit [salinapubliclibrary.org](http://salinapubliclibrary.org) that next time you have a question.

**Sunflower eLibrary:** Library card holders can check out ebooks and audio books via the library's website. A wide offering of books is available for temporary download to ereaders, tablets, smart phones and other devices. When the book is due, it simply disappears off of your device. There are no late fees.

**Digital Design Studio:** Adults can reserve the studio for two hours. It offers video editing, Web page design, photo editing and scanning capabilities.

**SALINA PUBLIC LIBRARY**
